1400 BIG LAKE ROAD, COUNCIL BLUFFS, IA

The Pottawattamie County Sheriff's Office and Jail was originally constructed in the late 1990's, having officially moved into the building in October of 1999. Since that time, we have grown as an agency in size and for many years it seemed that we were bulging at the seams. In order to provide much needed services to the citizens, whom we serve, we needed to shift gears and do a complete remodel along with a new addition to more adequately do what we do.

Thankfully in 2021 we were finally able to take a step in the right direction and start the next chapter in the Sheriff's Office history books. After more than a year, countless hours, and a lot of noise.. we are finally able to enjoy our newly remodeled space.

Sheriff Andy Brown cordially invites you to stop down and see how we have been able to utilize the new space for our current needs and future growth.
