**AN INSPECTION IS REQUIRED BEFORE COVER-UP AND AT COMPLETION**  
See reverse side for instruction on making an appointment for an inspection.

**FOOTINGS AND FOUNDATION**

Any open ground basement, or cellar, or similar cavities remaining after demolition of any building or structure or any portion thereof and removal of all debris from same shall be inspected first then filled to ground or grade level with clean fill. The requirement for removal of all of the footing/foundation may be waived in writing by the Building Official if the footings/foundation are found to be structural safe and a building replacement schedule is approved by the Building Official.

**SEPTIC SYSTEM**

Private sewage disposal systems that are abandoned shall have the septic tank pumped, the tank lid crushed into the tank, and the tank filled with sand or soil. Inspection required prior to the tank being filled. Sand or soil to fill tank shall be on-site at the time of inspection.

**PRIVATE WATER WELL**

"Abandoned well" means a water well which is no longer in use or which is in such a state of disrepair that continued use for the purpose of accessing water is unsafe or impractical.

Plugging requirements. The owner is responsible for ensuring the abandoned well is plugged pursuant to Chapter 567-39, Iowa Administrative Code. It is the responsibility of the owner to certify, on DNR Form 542-1226 "Abandoned Water Well Plugging Record," that an abandoned well has been plugged in accordance with the requirements and time schedule contained in this chapter. This report must include confirmation of the well plugging by the designated agent for the county or a certified well contractor. Within 30 calendar days of the date the plugging was completed, the owner shall submit to the department a copy of DNR Form 542-1226. All classes of wells which are abandoned on or after April 25, 1990, must be properly plugged within 90 days of the date of abandonment. The owner shall properly plug the well and shall file DNR Form 542-1226 before demolition permit will be cleared and approved.

**Inspection Requests:** It shall be the duty of the holder of the building permit or their duly authorized agent to notify the Building & Safety Division when work is ready for inspections.
